- Double Active Calc System prevents scale build-up

Safe ironing

- Appliance switches off automatically when left unattended

PHILIPS
sense and simplicity

Highlights

Large watertank

Iron longer without refilling with extra large 400 ml watertank .

Up to 40 g/min of steam

Continuous steam output of up to 40 g/min gives you the perfect amount of steam to efficiently remove all creases.

Steam boost up to 160 g

Applying the steam boost will release a steam shot up to 160 g to remove even the toughest creases.

Drip-stop system

The Drip Stop system of your Philips steam iron lets you iron delicate fabrics at low temperatures without having to worry about stains from water droplets.

Double Active Calc System

Double Active Calc system of your Philips steam iron prevents scale build-up through anti scale pills and an easy to use calc clean function.

Ceramic EasyFlow soleplate

Ceramic EasyFlow soleplate is scratch resistant, glides well and is easy to clean.

Safety auto off

The Safety Auto-off function automatically switches off the appliance if it has not been used for 10 minutes, to save energy.
